Door Supervisor & Emergency First Aid at Work-new

The Pearson BTEC Level 2 Award for Working as a Door Supervisor within the Private Security Industry (QCF) is for learners who work in, or who want to work in, the security industry as a Door Supervisor It gives learners the opportunity to:

- Develop knowledge related to the Private Security industry, including, the purpose of the industry, the functions of the regulator, governing legislation and the acceptable work practices, procedures and standard
- Develop skills in conflict management and their abilities in managing and resolving conflict in the context of the role of a Door Supervisor
- Learn about the role, duties and responsibilities of a Door supervisor. This covers areas such as, searching procedures, physical protection systems, physical intervention skills, reporting and record keeping, as well as legislation relevant to a Door Supervisor
- Achieve a nationally-recognised Level 2 qualification
- Achieve a licence to practise
- Develop their own personal growth and engagement in learning.

Emergency First Aid at Work:

Who is this qualification for?
This qualification is aimed at learners who wish to become emergency first-aiders in the workplace. This qualification meets the requirements for training emergency first-aiders in those organisations that have identified that staff need to be trained to this level within their first-aid needs assessment.

Topics covered:

These include the role and responsibilities of a first aider, being able to manage an unresponsive casualty who is not breathing normally, being able to manage a casualty with external bleeding and being able to manage a casualty with a minor injury.

Assessment method:
This qualification is assessed by a practical demonstration and written/oral questioning.
